and then kisses him. Gobber drops in beside Stoick, like two soldiers in a trench. He pauses, carefully lifts it by the handle, and tosses it away. STOICK My father told me to bang my head against a rock and I did it. GOBBER (CONT'D) Hiccup, get in there! ON ASTRID bouncing on her heels, ready to dodge a blast. No sign of the Nightmare. ASTRID (to her guests) to the transformed village. He reaches over and grabs Snoutlout's trailing hand. Hiccup approaches, beaming. "Dragon" DeBlois/Sanders Final Draft (Rev.19) 02-13-2010 4. HICCUPS CLOSING (CONTINUOUS Hiccup cuts and stitches leather, draws and shaves steel. It's a problem without an answer. I could do that, but I don't have time right now! The Nadder tears off after her, knocking down walls in pursuit, as she catches her breath behind a barrier. "Dragon" DeBlois/Sanders Final Draft (Rev.19) 02-13-2010 51. The murmuring crowd eyes Stoick, awaiting his response. GOBBER (with a mouthful) Un-uh. A line of catapults UNLEASH their two-ton loads into the cliff wall. HICCUP (CONT'D) (TO ASTRID) Go help the others! She and the Nadder take off. Bone Knapper. ASTRID I bet he's really frightened now. (BEAT) (MORE) "Dragon" DeBlois/Sanders Final Draft (Rev.19) 02-13-2010 69. HICCUP (CONT'D) Yeah, yeah, I'm on it. That's why I'm going to be the first. He unbuckles the muzzle. HICCUP (CONT'D) Speed uncovers. The monster's giant foot crashes through frame, smashing the bow under its impressive weight. Hiccup recoils nervously. Hiccup goes silent -- he said too much. GOBBER Well, it runs in the family. (BEAT) Astrid. BLACKSMITH STALL - LATER CLOSE ON ... ASTRID Yeah! You're the Viking! Snoutlout grins, finally vindicated in her eyes. ALL THE DRAGONS standing in the ring, facing the teens expectantly. What did you do? HICCUP I knew it. The men recoil... As it approaches the fish, HICcup notices that it's missing teeth. The PLANS her foot on his torso and YANKS the axe free, still buried into the shield. ASTRID, sitting on the rock right in front of him, sharpening her axe. It snorts, stepping into the ring, calmed by Hiccup's outstretched hand -- focused on him, then Toothless regurgitates a chunk of fish onto Hiccup's lap. GOBBER (CONT'D) (glaring at Hiccup) Where did Hiccup go wrong? As it falls into the steamy pit, a terrible ROAR rings out. Everyone knows I'm more irritating. He scoops Hiccup into his arms. Some people lose their knife or their mug. HICCUP You just gestured to all of me. They PIVOT in place, hurtling directly into the Red Death's mouth. ASTRID So? Not too bad. It's the wings and the tails you really want. The battle-ready Vikings drop their weapons, confused. Astrid glares at him. The teens are carried to Hiccup's workbench and laid in place on a one-one schematic. The Gronckle takes aim at the distracted twins. ASTRID (to great Odin's dismay), this is it! "Dragon" DeBlois/Sanders Final Draft (Rev.19) 02-13-2010 64. Gobber eyes him sympathetically. It appears dead. Hiccup and YELPS and stomps the door closed, as its wings unfold and extend. CRANE UP to reveal Astrid is standing behind him. Hiccup's pedals go DEAD. A SLOW-MOTION explosion erupts behind her, framing her in a sear of ball of fire. There's others watch, spellbound, and that's their queen. Find it, hide it, and strike. Toothless, however, obeys the command and suddenly STOPS beating his wings. SKY - NIGHT ...and levels off under a starry sky. GOBBER You can't lift a hammer. It coughs up smoke and staggers away, looking ill. You got your wish. "Dragon" DeBlois/Sanders Final Draft (Rev.19) 02-13-2010 85. revealing that he's back the scene of the crime. The teens eye each other apprehensively, and look up to reveal... Toothless freezes. The fire shoots through the slats of wood, illuminating HICCUP, a gangly teenage Viking. It's... a deep, rumbling ROAR echoes from the cavern. HICCUP (CONT'D) Yes, that's right. From it, they fill buckets of water to douse the flames. VIKING (FEEBLE) Today's not good for me. Hiccup SCREAMS and barely dives out of reach. VILLAGE - LOWER PLAINS - CONTINUOUS Nadders land, gathering like seagulls around a seemingly vacant house. Hiccup discovers that it's a patch of 4¢ dragon-nip. Toothless writes on his back, tongue wagging, in complete bliss. It takes to the air and disappears. TUFFNUT If you don't like it, then just get your own blind spot. STOICK We had a deal! STOICK pauses to say something, but stops short. The exchange is intense, profound. They FREEZE. STOICK (CONT'D) (CALLING OUT) Ready the ships! EXT. Fire blasts over head, causing them to duck. STOICK No, I'm serious. They're both caught in a mess of rigging, being dragged down. TRAINING GROUNDS - DAY Hiccup raises the bolt on the Monstrous Nightmare's pen. The men draw their weapons, prepping for the worst. Again and again, it rolls uncontrolled and CRASHES heavily. It bashes against a nearby mountain side, recovers, and drops out of view some distance away. BURNTHAIR Get inside! HICCUP ... TRAINING GROUNDS - CONTINUOUS Hiccup scribbles around the ring. HICCUP (CONT'D) Here we go. SHINK! Hiccup looks up at the sound of the stone Derge glows with every pump. HICCUP (CONT'D) (PANICKED) You're right! You're right! Do I believe it? Astrid grabs him. You've just never seen me from the left side before. As the ground speeds away, Toothless immediately TIPS into a uncontrolled bank and dive. He lands on the burning deck. I almost gave up on you! Hiccup gets back up, grimacing in the irony of it all. GOBBER Night Fury! Get down! Toothless bounds over the crowd and BLASTS a hole through the chain enclosure. What do you think? HICCUP (CONT'D) (PENSIVE) Everything we know about you guys is wrong. GOBBER Fishlegs, out. "Dragon" DeBlois/Sanders Final Draft (Rev.19) 02-13-2010 71. ASTRID Okay. Let's see if this works. BACK TO SNOUTLOUT ... Astrid stops him. Now! Toothless takes flight, barely evading the monster's snapping jaws, sensing that something is wrong. Toothless swats him with his 'ear' plate. He cinches the straps. HICCUP (CONT'D) (WHISPERED) It looks like they're hauling in their kill. He reaches it and YANKS it open. But who can blame him? The teens stare as Fishlegs goes on too long. Blood drains from Hiccup's face. IN THE AIR HICCUP and TOOTHLESS dive in again and again, using the clouds to hide and surprise as they puncture the monster's wings. Kill on sight. With Toothless tied to a nearby post with a rope. Go. The recruits scramble for shields, finding them scattered around the ring. HICCUP I know this looks really bad, but you see... this is, uh... ASTRID (CONT'D) That's for, everything else. HICCUP (SINCERED) Wow. HICCUP Who me? HICCUP (V.O.) (CONT'D) Timberjack. She notices Hiccup walking by in the distance, carrying one of his trademark harnesses. STOICK (CONT'D) Matching set. Stoick tears the chains off of the yoke and lets it float free. STOICK explodes to the surface, pulling Hiccup to the shoreline through flaming debris. HICCUP Thank you for summing that up. She and her Nadder get caught in the suction, pulled toward the monster's gaping mouth. HICCUP Ruff, Tuff, watch your backs! Move Fishlegs! The monster shakes off the blast and snaps in their wake. They say that when he was a baby he popped a dragon's head clean off of its shoulders. He turns to find Hiccup seated beside him. Hiccup takes a step outside, finding STOICK waiting for him on the step. Gobber pushes through the crowd, beaming proudly. Toothless snorts. Tongue pull intricate rear pieces from the coals. Hiccup and Astrid peek around, taking in the busy hive of sorts. Above him, a craggy volcano towers into the gloom. "Dragon" DeBlois/Sanders Final Draft (Rev.19) 02-13-2010 91. STOICK (CONT'D) Get clear! "Dragon" DeBlois/Sanders Final Draft (Rev.19) 02-13-2010 87. Times two. HICCUP (PLAYING ALONG) You just gestured to all of me. "Dragon" DeBlois/Sanders Final Draft (Rev.19) 02-13-2010 42. GOBBER (CONT'D) Today... GOBBER I'll pack my undies. ASTRID First to ride one, though. Even the ground is smoking from the terrible heat. HICCUP (CONT'D) Gronckle. (gesturing to his fish on a STICK) I'm good. ASTRID Because I want to remember what you say right now. Phelegma the Fierce... "Dragon" DeBlois/Sanders Final Draft (Rev.19) 02-13-2010 93. A final bulletbar shatters the fractured wall, creating a deep, dark opening to the cavern within. As the last rope falls free, the Night Fury suddenly POUNCES! In a blur, the dragon is upon him, pinning Hiccup down, grazing his neck. HICCUP (PANICKED) Alright. Toothless, go. HICCUP I'm ready. I'll be back as soon as I can. Stoick grabs Hiccup by the back scruff of his collar and hauls him away, fuming with embarrassment. 'Quiet!' Suddenly, out of the dense cloud, a Monstrous Nightmare emerges. STOICK DEAL?! Hiccup glances at the axe in his hands. Toothless hesitates. Toothless claws and chases the light patch like a cat chasing a laser pointer. And as she clears the barriers, she sees that Hiccup has already laid the Gronckle out. The Twins race alongside the monster's head, taunting it. Nothing to be afraid of. Below them, Berk's torches flicker in the ink darkness. He could crush mountains, level forests, tame seas! Even as a boy, I knew what I was, what I had to become. HICCUP (CONT'D) Sorry, dad. If you get blasted, you're dead. Suddenly one is snatched. VIKING #2 One length to your stern. "Dragon" DeBlois/Sanders Final Draft (Rev.19) 02-13-2010 44. The moment is not lost on either of them. I'll SEE YOU... Slam. VIKING Night Fury! Get down! Vikings everywhere take shelter. STOICK I hope you had a little more success than me. Toothless did. Stoick adjusts, awkwardly clearing his throat. Nadders. Astrid grabs away, eyeing Hiccup and Toothless together with pure disgust. Gobber pulls guys back the contents of his tankard attachment and scrapes back the bench. VIKING #3 Get to the ships! STOICK No! The Red Death BLASTS the ships like a mile-long flamethrower. Not us. It gives way to a vast, steamy inner chamber, tiered with pocky shelves. Hiccup? HICCUP I left my axe back in the ring. And it's been here for seven generations, but every single building is new. He is slouched over the fire-pit, stirring the coals with his axe. HICCUP (RESIGNED) Dead. Stoick crosses to the stern of the ship and grabs the tiller, moving the helmsman out of the way. FISHLEGS (muttering to himself) Razor sharp, serrated teeth that inject venom for pre-digestion. Are you serious? Study up. He sinks his blade into a... "Dragon" DeBlois/Sanders Final Draft (Rev.19) 02-13-2010 16. Noise. GOBBER So am I. Ruff, Tuff, find out if it has a shot limit. GOBBER The Terrible Terror. We'll counter-attack with the catapults. Amazed, Hiccup sits up and tries to touch him. A NIGHT FURY. FISHLEGS Oh and there's this other one that has these spines that look like thorns... STOICK (CONT'D) (GRAVE) Hiccup. What? ASTRID Yeah, it's only fun if you get a scar out of it. We don't have to kill them. Turns its victims inside-out. The two pieces click together, forming a single shape. HICCUP Did you get her? (re: Toothless, leaning over him, excited) You're in my HUFFNUT Okay there bud, we're gonna take this nice and slow. ON HICCUP as he spots the problem. A tense moment passes... I am very much hurt. "Dragon" DeBlois/Sanders Final Draft (Rev.19) 02-13-2010 39. I manage to love an entire dragon. But the recruits keep closing the gaps. They snap back in Astrid's face. Fire ticks at his clothes. TUFFNUT Yes it was. LARGE NAUTICAL MAP, spread out on the table... TRAINING GROUNDS - DAY The grounds have been transformed. The camera drifts over rolling hills to reveal a small village nestled on an outcropping of sea mounts. The dragon draws a deep breath, as though it's about to torch him, then lets out an ear-piercing scream instead. Toothless BOLTS! He snaps his massive wings and takes to the air, carrying Hiccup with him. Below, Hiccup crosses an open plaza and ducks into an open building with a chimney. ON SKY Hiccup straggling into the fog as the calls continue. GOBBER Snoutlout! You're done! Astrid ROLLS to a stop beside Hiccup, who stirs awkwardly, trying to look cool. I'll take care of this. Flapping its wings furiously, or a sequel? DISSOLVE TO: EXT. Stoick notices that toothless' ear plates are at the alert, quietly recasting. Toothless looks ready. What he sees startsles him. He sees Stoick, and Stoick immediately turns away. He lays him down, under the shelter of an overhanging rock. HICCUP (CONT'D) Watch out! The random blast CLIPS Toothless' tail. You look like you work-out... She cartwheels out of the way, allowing a shot to shoot past her and hit Snoutlout's tail.
